South Central Organizations

THE BAND PROGRAM at South Central includes three groups classified by age. These are: Beginners' Band of nineteen fifth grade students, Junior Band of fifty-three seventh grade pupils, and the High School Band of sixty-nine students in grades eight through twelve. The High School Band members are all a part of the Concert Band, but the Marching Group does not include those who play football. Other elective activities for band members are Dance and Pep Band.

THE EIGHTH GRADE AND THE HIGH SCHOOL CHORUSES furnished music for various community and school affairs during the year.

THE OFFICE STAFF assists Mrs. Gifford and the administration in routine office work. They collect attendance slips, make out the report for the day, and assist in compiling forms needed for various activities.

THE LIBRARY CLUB is composed of those students who serve as student library assistants.

THE FUTURE TEACHERS OF AMERICA chapter at South Central is open to any student in grades eight through twelve who desires to make teaching a career. This chapter is as old as the State organization, since North Fairfield chapter was a charter member. This group's twenty-five members grade papers, act as stubstitute teachers, and judge spelling contests.

NATIONAL HONOR SOCIETY members are elected during the second semester on the basis of scholarship, leadership, character and service. The candidate must be in the upper third of his class scholastically and must have spent at least one year at South Central High School. This year at spring initiation there were sixteen members and five pledges.

THE STUDENT COUNCIL promotes leadership and responsibility, fosters well-rounded school activities, promotes and recognizes scholarship promotes school spirit and a high standard of citizenship among the student body.

FUTURE HOMEMAKERS OF AMERICA is open to any student of vocational home economics. Its purposes are to create interest in home-making, to develope leadership and to encourage participation in all worthwhile community acitivities.

FUTURE FARMERS OF AMERICA is open to all students of vocational agriculture. Its purposes are to develope agricultural leaders in the community by practice in public speaking, parliamentary procedure, community service, and other activities appropriate for boys with agricultural interest.

THE GIRLS' ATHLETIC ASSOCIATION was organized with the purpose of giving every girl a chance to participate in some form of athletics. Twenty members attended regularly and took part in intramural games of various kinds.

THE PEP CLUB encourages support of athletic teams at all sports events, to encourage good sportsmanship, and to stimulate the student body and spectators to a desirable display of school spirit.
